Scoring Rubric

Objectives	0 Points	1-5 Points	6-10 points	11-15 points	Earned Points
Planning and Production	No planning, No portfolio, No sketches, notes. Poor or no Videography	Videography was made with little planning or though. No portfolio or hasty attempt made.	Videography was done with some planning and thought put into it, but video could have planned better. Portfolio incomplete.	Students planned previously what they were going to create, and put a lot thought into their videography	
Music	No music was used	Music was used that was inappropriate or did not fit the clips it was used for. No credit was given.	Music was used, could be a little off but was music that fit the clips. Appropriate credit given.	Music was planned that fit the clips and the mood of the clips. Appropriate credit given.	
Transitions, Titles, Effects	Not evident of minimal use	Two or three were used. Or several present but poorly used.	Many transitions titles, and effects were used. Most were correct and effective.	Many transitions, etc. were used and the worked well and were effective.	
Video Quality	Video was not completed.	Video was made contained little evidence of a theme, had tittle editing, ad did not engage the audience. Too much zooming, panning and shakiness.	Video was completed, and contained all required items. Editing was not done as well as it should have been. Idea was not engaging or unique. Some poor camera work.	Video was completed. Had all required elements, engaged audience, and was original, creative, and unique. Camera work was excellent.	
Flow	There was no Video	Video was nothing more than a series of clips joined together. Could have been created by turning the camera off and on.	With a bit more editing and better clips selection, use of transition, etc. movie would be excellent.	Video moves nicely, theme is easily identified, audience displayed appreciation for the production.
